

Donaldson's Celebri-Tee Charity Golf Day 2016

Wednesday 11th May, Royal Musselburgh Golf Club

After the success of last year's golf day, the fourth Donaldson's Celebri-Tee Charity Golf Day will be held at Royal Musselburgh Golf Club, the world's fifth oldest golf club, on Wednesday 11th May 2016, to raise funds to support the children and young people who attend Donaldson's School.

Helping a Good Cause

Donaldson's School provides education, therapy and care to children and young people up to the age of 18 years who are deaf, hearing impaired or have communication difficulties, many of whom have multiple and complex additional support needs, such as Cerebral Palsy, Autistic Spectrum Disorder, Epilepsy or other aetiologies such as Smith Magenis and Angelman Syndromes.

The golf day will raise much needed funds to support the pupils who attend Donaldson's School. Within the School, staff help the children to learn, become more independent by gaining life skills, and help them to communicate with family and friends. Donaldson's School is a bi-lingual environment, with classes being taught in English and British Sign Language (BSL).

Win a Car

If you are lucky enough to get a hole-in-one at the 14th, you will win a car!
